Comments:
John has been a great asset to our work team. His punctuality is impeccable, showing up 15 minutes before his shift to get ready and start the work day. He comes into work with such a positive attitude and mindset, and always puts in the hard work. With our job, we want to make customers comfortable when trying on our products, and John does exactly that. He makes sure customers are comfortable, and have a great shopping experience.
COBSS recognizes the time and effort involved in providing a reference and extends its thanks and appreciation.
